Siemens Healthcare Diagnostics Inc.

Terms and Conditions for Purchase of Goods and/or Services

TERMS. This Purchase Order constitutes the exclusive statement of SIEMENS' offer to Seller to purchase the Goods or Services specified herein, and supersedes any previous written or oral communications or understandings between the parties. Any additional or different terms or conditions stated by Seller in acknowledging receipt of this Purchase Order or in any other writing are hereby objected to and shall be void unless expressly agreed to in writing by SIEMENS. Notwithstanding the foregoing, if SIEMENS and Seller have entered into a separate agreement with respect to SIEMENS' purchase of the Goods and/or Services, then the agreement shall govern SIEMENS' purchase of such Goods and/or Services; in the event of any inconsistencies between the terms of the agreement and the terms of this Purchase Order, the terms of the agreement shall prevail.

ACCEPTANCE. Acceptance by Seller of SIEMENS' Purchase Order under the terms and conditions stated hereon shall be indicated by either written acceptance or commencement of performance pursuant to this Purchase Order.

DELIVERY AND INSPECTION. Time and date of deliveries and performance are of the essence on this Purchase Order. SIEMENS reserves the right to make final inspection of the Goods and Services after receipt by SIEMENS (notwithstanding any prior payment or prior acceptance thereof) and, in addition to any other right and remedies available under law, to cancel this Purchase Order and reject the Goods or Services upon any default by Seller in meeting or satisfying delivery/completion dates, scheduled amounts, specifications, quality, or performance. SIEMENS may, at its discretion, employ either a 100% inspection or a sample plan. Lots which fail to pass sampling plans may be subsequently 100% inspected by SIEMENS (with Seller to be charged for all such inspection costs) or, at SIEMENS' option, rejected or returned to Seller for correction, replacement or credit, as the option of SIEMENS. Seller shall not be allowed additional time outside of the time stated for delivery/completion in this Purchase Order without the express written consent of SIEMENS. Goods shipped in advance of delivery schedule or unauthorized partial shipments may also be rejected or returned to Seller at Seller's expense. All Goods shall be shipped F.O.B. destination. Risk of loss shall pass to SIEMENS upon delivery of the Goods to SIEMENS in an undamaged condition. Seller shall bear all risks and expenses for returns including, but not limited to, storage, freight, insurance, packaging, materials and labor as to rejected Goods or Goods requiring correction after notice of rejection. SIEMENS shall have the right, upon reasonable advance notice and during normal business hours, to inspect Seller's premises and operations which pertain to the Goods and Services in order to insure conformity with specifications, adequate quality control and ability to meet designated delivery and completion dates.

PACKING AND SHIPMENT. No substitutions shall be allowed without the prior written consent of SIEMENS. All items shall be packed by Seller in suitable containers for protection in shipment and storage. Unless otherwise agreed to by the parties, no charge shall be made for cartons, wrappings, boxing, crating, delivery, insurance, drayage or other cost. Each container shall be marked to show SIEMENS' Purchase Order number, and a packing sheet showing Purchase Order number must be included in each package. Where prepaid transportation charges are authorized by SIEMENS, these charges have to be shown separately on Seller's invoices and should be accompanied by the original freight bill or a copy of a bill of lading. If the inclusion of prepaid transportation charges makes it impossible for Seller to render its invoice within 24 hours of shipment, an invoice to cover transportation charge shall be sent promptly thereafter.

JUST NEW. Unless otherwise agreed, Seller warrants that the Products (and any parts components and materials therein) delivered to Siemens under this agreement are new (off the manufacturing line) and may not be used or refurbished.

NOTIFICATION OF HAZARDOUS PRODUCT. Seller hereby agrees to notify SIEMENS of any inherent hazard related to the Goods being purchased herein that would expose the hazard during: handling; transportation; storage; use; resale, disposal; or scrap. Said notice shall specify: the product name and part number; the nature of the hazard; proper precautions that must be undertaken by SIEMENS or others; and any additional information that SIEMENS should reasonably know to protect its interest.

PAYMENT. Unless otherwise agreed to in writing by SIEMENS, payment shall be made to Seller ninety (90) days after the later of (i) receipt of Goods or completion of Services, or (ii) SIEMENS' receipt of Seller's invoice; provided, however, that payment shall not constitute acceptance of the Goods or Services or impair SIEMENS' right of inspection and rejection. No C.O.D. payment terms shall be valid without SIEMENS' prior written consent.

SETOFF. SIEMENS may set off any amount due from Seller to SIEMENS or any division, subsidiary or affiliate thereof, against any amount due to Seller hereunder.

CASH DISCOUNT. The cash discount period shall commence as of the date of the later of (i) receipt of Goods or completion of Services or (ii) receipt of invoice.

PRICES. Seller's prices for the Goods or Services ordered shall not be higher than those stated hereon. In the event that this Purchase Order does not state price, SIEMENS will not be bound to any price to which it has not expressly agreed in writing. Seller warrants that the prices charged SIEMENS are no higher than prices charged on orders placed by other for similar quantities under similar conditions. In the event that Seller breaches this warranty, the prices of the Goods or Services shall be reduced accordingly, retroactively to the date of the breach. In addition, Seller agrees that any price reduction in the Goods or Services subsequent to placement of this Purchase Order, but prior to shipment of Goods or completion of Services, will apply to this Purchase Order.

PATENT PROTECTION. Seller shall defend and hold harmless SIEMENS, its subsidiaries and affiliates, and their respective customers, from all expenses, liabilities and losses of any kind (including attorneys' fees), growing out of claims, suits or proceedings alleging any patent, trademark, or copyright infringement arising from the manufacture, sale or use of any Goods ordered or Services provided hereunder. Seller shall promptly assume the defense of any such claim, suit or proceeding and shall pay all costs, damages, royalties or profits which may be decreed or awarded against SIEMENS, its subsidiaries, affiliates, agents or customers in connection therewith. Seller shall, at its own cost and expense, either procure for SIEMENS the right to continue using the Goods or Services or any part thereof, or modify the Goods or Services so that they become non-infringing, provided that such modified Goods or Services shall conform in every respect to the applicable specifications and terms and conditions of this Purchase Order. If neither of these alternatives is possible, then Seller shall promptly refund to SIEMENS the purchase price paid for such Goods or Services. Seller shall further indemnify and hold harmless SIEMENS, its subsidiaries and affiliates, and their respective officers, directors, employees, agents and customers, from all other claims, demands, liabilities, costs and expenses (including attorneys' fees) arising from any actual or alleged (i) defect in the Goods or Services provided by Seller hereunder, (ii) failure of the Goods or Services to comply with all specifications or with the express or implied warranties of Seller, or (iii) Seller's violation of any statute, ordinance, rule or regulation in the manufacture, sale, delivery or completion of the Goods or the provision of the Services. If any such change order causes an increase or decrease in the cost of or the time required for the performance of the work under this Purchase Order, an equitable adjustment shall be made in price and/or delivery schedule, and this Purchase Order shall be modified accordingly. Any claim by Seller for adjustment under this clause shall be deemed waived unless asserted in writing within ten (10) days from receipt by Seller of notice of change.
